

## Microsoft 365 assessment

Your Microsoft 365 tenant is critical to the success of your business. As services continue to move into the cloud, it has never been more important to understand how your environment is configured and being used.

SHI's certified consultants will thoroughly evaluate your tenant, providing you with a comprehensive report on your current setup and usage, as well as actionable recommendations for optimizing your Microsoft 365 experience.

### We will:

- Review your current Microsoft 365 environment
- Thoroughly assess your tenant, including:
  - Licensing and user management
  - Azure Active Directory and authentication policies
  - Exchange Online and OneDrive
  - Microsoft Teams and SharePoint
  - Secure Score and governance settings
  - Recommendations for improvement

### Deliverables

- Detailed utilization reports
- Findings and recommendations document

### Benefits:

- Gain guidance from certified and experienced consultants
- Unlock deep visibility into your current tenant usage
- Mitigate risks through actionable guidance and best practices

Contact your SHI Account Executive today to solve what's next for your Microsoft operations.
