

SHI Vizient Contract

SHI supplies groundbreaking technology solutions to healthcare providers through Vizient's GPO

Vizient Contract Number IT0440

Enabling healthcare providers to deliver critical services more effectively

With the SHI and Vizient contract, Vizient member organizations have access to SHI's entire product catalog of IT solutions and services, including hardware, software, cloud, cybersecurity, and accessories. The agreement supports SHI's mission to help America's healthcare providers deliver effective care to patients through the delivery of robust and cost-effective technology solutions.

As one of the world's largest IT solutions providers, SHI offers information technology products and services to more than half the nation's acute care providers, including a growing network of healthcare organizations.

Next-generation infrastructure

Create business resiliency through hybrid infrastructure, cloud, automations, and software-defined solutions.

Modern workplace solutions

Provide the best experiences for end users with devices, collaboration, and modern desktop solutions.

Cybersecurity

Combat an ever-evolving threat landscape with adaptive and scalable security solutions.

IT asset management

Improve cash flow and process efficiencies with procurement, lifecycle management, and financing solutions.

SHI Healthcare

SHI's dedicated team of Healthcare specialists deliver above-and-beyond services and technology designed to improve business operations and caregiver productivity, empowering you to focus on what really matters – delivering quality patient care.

SHI Healthcare is part of the largest MWBE in the U.S.

Founded by Thai Lee in 1989, SHI is recognized as the largest Minority- and Woman-Owned Business Enterprise (MWBE) in the United States. Our status as a diverse supplier exemplifies our commitment to supporting Diversity, Equity, and Inclusion (DEI) across the organization.

Health insurers

Public and private hospitals

Academic medical centers
