

SHI Capital

Flexible payment solutions to accelerate innovation and drive business growth

SHI Capital is your one-stop shop for technology payment solutions. Whether you're looking to preserve cash, avoid heavy capex commitments on your balance sheet, or move to an opex funding model, SHI Capital offers flexible short- and long-term leasing and financing services that improve capital management and simplify financial forecasting.

Tailored payment structures and flexible terms

SHI Capital can help you acquire the technology you need to support transformation initiatives at a manageable cost. We offer flexible financing that enables you to rotate and refresh your technology. Our offerings include:

12-60-month payment plans

- · Hardware leases or rentals
- Device-as-a-Service (DaaS)
- · Software and services loans

Periodic payments

- · Monthly, quarterly, semi-annual, or annual payments
- · First payment deferral up to 90 days

Fair market value leases

IT Asset Recovery services with certified data collection and destruction

Tailored to our customer's needs

Every organization has different financial priorities. We provide options so your finance experts can decide what works best for you.

Structured payments – Create a payment plan that aligns with your finances and payment schedules to minimize administrative overhead on your finance teams.

Improved capital management – SHI can provide you with financing that frees up working capital and cash flow for other investments.

Sustainable solutions – Leasing hardware can help you meet your sustainability goals with end-of-term recycling and manufacturing.

Flexible financing – Our offerings range from 100% financing to flexible lease structures to hybrid finance options, all designed to meet the demands of today's complex world.

Why finance technology?

- Take advantage of the latest technology sooner, so you meet your strategic business goals
- 2. Drive business growth today, regardless of upfront budget availability
- Resolve finance-related issues, matching financing and subscription terms
- 4. Access flexible payment schedules that meet your monthly, quarterly, or annual ledger requirements
- 5. Explore multi-year subscriptions with multi-year discounts that meet your business plans
