

# Sourcwell Cooperative Procurement

SHI’s partnership with Sourcwell provides customers with increased administrative efficiencies and competitive purchasing.

Sourcwell, a State of Minnesota local government agency and service cooperative, acts as a comprehensive public solicitation and procurement organization for public sector agencies across the nation.

Through SHI’s Sourcwell cooperative contract, government, education, and non-profit institutions have access to our full catalog of products and services and receive guaranteed discounts off our advertised list price.
